SPIRITUAL GROWTH SURVEY

"As therefore you received Christ Jesus the Lord, so live in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving." --- St. Paul, Colossians 2.7

To be a Christian means continual growth in the faith into which we have been baptized. Rooted in the faith, a Christian should always be seeking how to grow in it, to full maturity in Christ (Ephesians 4.15).

The survey below will help the Christian Education Team, teachers, and staff of St. Paul to design education programs that will meet your spiritual growth needs and better serve our church as a whole. Please check any that apply to you or interest you; return this survey to Pr. **Biles** at the church office or by email at the address above. Thank you and the Lord be with you!
